

MicroSeismic Voice at IMAGE Monday, August 28 – Thursday, September 1 Booth 1409		
Schedule Key		
Special EventsTheater PavillionsBreaksBoothPodcast		
Monday, August 28	Topic	Presenter
11:00 AM	Digital Wildcatters Energy 101 Podcast Studio Recording – 1336 Brittmoore Rd, Houston, Texas 77043	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
4:30-5:30 PM	Opening Session/Keynote and Presidential Addresses	
5:30-7:30 PM	Opening Icebreaker Reception	Exhibit Floor
Tuesday, August 29 (9:00 AM – 6:00 PM)	Topic	Presenter
8:00-10:00 AM	SEG Challenge Bowl World Finals Marriott Marquis Houston	Hosted by Dr. Peter Duncan MicroSeismic, Inc. Founder & CEO
8:30 AM	LIVE on LinkedIn	PBE Podcast – Host Troy
9:05 AM	MicroSeismic Booth 1409 PBE Podcast #1 “Well Stress Observations”	Dr. Jon McKenna MicroSeismic, Inc. Completions Engineer
9:30 – 10:30 AM	Refreshment Break	Exhibit Floor
9:30 AM	MicroSeismic Booth 1409 & LinkedIn LIVE “MicroSeismic: Looking into the Future”	Gary Hargraves MicroSeismic, Inc. President and COO
9:45 AM	MicroSeismic Booth 1409 PBE Podcast #2 – The Challenges	Charlie Stevens MicroSeismic, Inc.
10:15 AM	U-Pitch Theater – Booth 1355 “Reservoir Fluid Movement and Induced Seismicity with Completions Engineering at MicroThermal Energy”	Dr. Jon McKenna MicroSeismic, Inc. Completions Engineer
10:30 AM	MicroSeismic Booth 1409 & LinkedIn LIVE “DAS Sensing – Why the High Notes Matter”	Albert Carmenate Terra15 Geophysicist
10:45 AM	MicroSeismic Booth 1409 & LinkedIn LIVE “Monitoring Injection CO2 Wells for Induced Seismicity”	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
11:00 AM	MicroSeismic Booth 1409 PODCAST #3 “Future of MicroSeismic”	Gary Hargraves MicroSeismic, Inc. President and COO
11:35 AM	Carbon Management Theater – Booth 100 “Where Has all my Stored Carbon Gone?” Learn How to Watch the Pot so it Never Boils	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
2:00 PM	PBE Podcast #4 – Future of Digital	Dr. Michael Thornton, CTO Keaton Cheffer, Software Engineer
2:30 PM	MicroSeismic Booth 1409 & LinkedIn LIVE “Cost Effective Continuous Surface Monitoring Solutions Help Companies Optimize Efficiency, Reduce Downtime, and Meet Net-zero Goals.”	Doug Nester EverAware CEO
3:00-4:00 PM	Refreshment Break	Exhibit Floor
3:00 PM	MicroSeismic Booth 1409 PBE Podcast #5 – Why MicroSeismic from a Customer Perspective	Charles Cusack III Recoil Resources President and CEO
3:30 PM	MicroSeismic Booth 1409 & LinkedIn LIVE “Time-dependent Stress Shadow Model Explains Tracer Observations in Denver-Julesburg Basin”	Dr. Jon McKenna MicroSeismic, Inc.
4:00 PM	MicroSeismic Booth 1409 & LinkedIn LIVE “MicroSeismic: Benefits of Monitoring in Real-Time”	Charles Cusack III Recoil Resources President and CEO
5:00-6:00 PM	Podcast Recap – End of the Day	Hosted by PBE Podcast
5:00-6:00 PM	Exhibit Reception	Exhibit Floor
8:30 pm–12:00 am	Presidential Jam Hilton Americas	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
Wednesday, August 30th (9:00 AM – 6:00 PM)	Topic	Presenter
8:50 AM	Oral Technical Session: Room 372B “Time-dependent stress shadow model explains tracer observations in Denver-Julesburg basin”	Dr. Jon McKenna MicroSeismic, Inc.
8:30 AM	LIVE on LinkedIn	PBE Podcast – Troy
9:05 AM	MicroSeismic Booth 1409 & LinkedIn LIVE “Listening for Karsts: Do Sinkholes Make a Noise”	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
9:30-10:30 AM	Refreshment Break	Exhibit Floor
9:30 AM	MicroSeismic Booth 1409 PBE Podcast #1 – DAS Monitoring Solution	Dr. Peter M. Duncan, CEO MicroSeismic, Inc. Dr. Nader Issa, CEO Terra15
10:00 AM	MicroSeismic Booth 1409 & LinkedIn LIVE “Liquid or Gas, Buried or Exposed – DAS Perfect for Pipes”	Albert Carmenate Terra15 Geophysicist
10:20 AM	“Where Has all my Stored Carbon Gone?” Learn How to Watch the Pot so it Never Boils Carbon Management Theater – Booth 100	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
10:30 AM	MicroSeismic Booth 1409 PBE Podcast #2 “IMAGE – All the Exciting things Happening at IMAGE”	Monica Vrana MicroSeismic, Inc. CMO
11:00 AM	MicroSeismic Booth 1409 & LinkedIn LIVE “Geothermal works! Together, let’s develop responsibly and inclusively.”	Dr. Jon McKenna MicroSeismic, Inc. Completions Engineer
11:30 AM	Location: MicroSeismic Booth 1409 PBE Podcast #3 – Environmental Monitoring	Doug Nester EverAware CEO
3:00-4:00 PM	Refreshment Break	Exhibit Floor
3:00 PM	MicroSeismic Booth 1409 PBE Podcast #4 “Energy – Carbon and Geothermal”	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
3:30 PM	MicroSeismic Booth 1409 & LinkedIn LIVE “Cost Effective Continuous Surface Monitoring Solutions Help Companies Optimize Efficiency, Reduce Downtime, and Meet Net-zero Goals.”	Doug Nester EverAware CEO
5:00 PM	End of the Day Podcast Recap	Hosted by PBE Podcast
5:00-6:00 PM	Exhibit Reception	Exhibit Floor
Thursday, August 31 (9:00 AM – 3:00 PM)	Topic	Presenter
9:30-10:30 AM	Refreshment Break	Exhibit Floor
9:30 AM	MicroSeismic Booth 1409 “Stress Rotations and Compounding Pore-pressures from Multiple Well Injections”	Dr. Jon McKenna MicroSeismic, Inc. Completions Engineer
10:30 AM	MicroSeismic Booth 1409 “MicroSeismic Environmental Monitoring”	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
11:35 AM	“Where Has all my Stored Carbon Gone?” Learn How to Watch the Pot so it Never Boils Carbon Management Theater – Booth 100	Dr. Peter M. Duncan MicroSeismic, Inc. Founder & CEO
2:05 PM	Digitalization Pavilion: Booth 130 “Cost Effective Continuous Surface Monitoring Solutions Help Companies Optimize Efficiency, Reduce Downtime, and Meet Net-zero Goals.”	Doug Nester EverAware CEO
